

## A PRAYER FOR HELP IN THE NYAYA LADDER

Help me to remember that 'a religion which contradicts science, and a science which contradicts religion are both equally false'.

Help me to remember that the world is one; only our modes of perception change.

\*

1. Help me to remember my ignorance, confusion and suffering before meeting this Work.

Help me to remember how all my good intentions came to nothing, and how they would still come to nothing without help from others.

Help me to remember that molecules hold together because atoms exchange electrons.

But thou, when thou fastest, anoint thine head and wash thy face. That thou appear not unto men to fast, but unto thy Father which is in secret.

2. Help me to recall the happiness felt when hearing about the idea of unity of knowledge and being.

Help me to remember that Higher Being is a cosmic influence with power to change the innermost nature of brain-cells.

The light of the body is the eye; if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness.

- /// Help me to understand cosmic laws and have longer thoughts on how inner change is the effect of a conscious cause.

Help me remember the idea of the electrical structure of matter, the psychological significance of the materiality of light, and how a longing for truth affects surface tensions.

... go ye and learn what meaneth, I will have mercy and not sacrifice; for I am not come to call the righteous, but sinners to repentance.

3. Help me to understand the idea of mercy! Help me to remember the psychological meaning of Nitrogen. As flowers and grain require nitrogenous substance to live and be fruitful, so do we need Sattva to come out of what we are not, and be what we are.

Help me to 'judge with righteous judgement' – for 'if the light in me be darkness, how great is that darkness!'

... ye must be born again. The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth; so is everyone that is born of the spirit.

4. Help all of us who pray 'Thy Kingdom Come'.

Help us to understand that attention is the coin to acquire eyes to see, and ears to hear.

Help us to remember that Tertium Organum not only existed before the first, but that neither the first nor the second could possibly be without it. Help us to remember that nuclear fusion is the means by which the Sun fulfills its divine task of creation.

Wherefore if God so clothe the grass of the field, which today is, and tomorrow is cast into the oven, shall he not much more clothe you, O ye of little faith?

X. Help us in Meditation.

Come unto me all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light.

But the hour cometh and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. God is a Spirit: and they that worship him must worship him in spirit and in truth.

5. Help us feel the Holy Ghost in all and each of us, as we feel it in you.

Help us to remember the meaning of the Milky Way in our lives.

Help us to remember the meaning of quanta, *now!*

Help us to remember that 'Man' is the sum of the creative particles of the Consciousness of the world.

These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.

6. Help us to understand that to sanctify your name means that knowledge of laws has become being.

Help us to remember that the world is a world of infinite possibilities, because the oneness of matter is the Oneness of All!

Help us to remember that 'spirit' endows matter with different qualities.

And this is life eternal, that they might know thee, the only true God, and Jesus Christ whom thou has sent... I have declared unto them thy name, and will declare it: that the love wherewith thou hast loved me may be in them, and I in them.

7. Help us to remember that Our Lord, in eternity, says:

I am the way, the truth and the life: no man cometh unto the Father, but by me.
